"5 on Prop 65": Free 5-Minute Consultation from ACT Lab

DENVER - July 20, 2018 - [ACT Lab](#) invites ORSM attendees to visit its booth, 54152-UL, to receive a free "5 on 65" 5-minute consultation on California Proposition 65's new warning labeling requirements taking effect Aug. 30 of this year. [California's Prop 65](#), which requires companies to warn consumers about products containing chemicals known to cause cancer or birth defects, became law in 1986. Regardless of whether a product's suppliers or manufacturers are located in California, if the product is sold to California consumers via brick-and-mortar or online channels, its manufacturers are required to comply with the new labeling requirements. Fines for noncompliance are \$2,500 per violation per day, starting Sept. 1, 2018.
